LIFE

The journey of life is long and wide,
Filled with twists and turns, we cannot hide.
We walk through fields of flowers bright,
And stumble in the darkness of the night.

At times we soar with wings of gold,
And at others, we feel frail and old.
We make mistakes, we learn, we grow,
And face the challenges that life bestows.

Our hearts are filled with hopes and dreams,
And sometimes shattered by life's extremes.
But we pick ourselves up and carry on,
For we know our strength comes from within.

The path we walk is ours to choose,
With every step, we win or lose.
We must be brave, we must be true,
And always strive to see things anew.

For life is a gift that we must treasure,
With every moment, we must measure,
The love we give, the joy we share,
And the memories we make, so rare.

So let us walk with heads held high,
And never fear to reach for the sky.
For in this journey, we call life,
We must live, we must love, we must thrive.
