CHAIRPERSON'S DESK...

*Here's A New Change
for A Vibrant Start*

New Month, New Beginning, New Focus, New Goals, New Zeal, and altogether a New Result. I wish the new month of February brings new hopes and new opportunities. Learn from your mistakes and accomplish your goals with commitment and hard work.

The road to your dream is not always easy to navigate, sometimes dotted with mountains to climb, obstacles to overcome and hard mind numbing toil that will make you want to like quit. But don't turn around. Don't give up. Successful are those who never give up to difficulties. A good dose of determination can lead you anywhere. I extend my blessings to all the students, teachers and staff members under whose guidance quality education is imported. The future is bright and beautiful, love it, strive for it and work for it.
