INSIGHTS FROM OUR MANAGEMENT

Dr. Inder Malik
Chairman
RPM Group of Schools

Dear Students, In the pursuing of excellence, results should not be viewed with anxiety or comparison, but with introspection and resolve. Each performance, whether adorned with success or tempered by shortcomings, holds within it the seeds of growth. It is through honest reflection and renewed

determination that knowledge deepens, character matures and true wisdom emerges.

Let these results inspire humility in success and resilience in challenge. Remember, marks may measure achievement for a moment, but values, discipline and a passion for learning shape destiny for a lifetime.

I congratulate those who have excelled and encourage every learner to treat this as a stepping stone towards greater accomplishments. May your journey of learning continue with diligence, integrity and grace.

With blessings and best wishes.

*"Success is the sum of small efforts,
repeated day in and day out"*

As we welcome the month of September, let us remind ourselves that consistency and commitment are the true pathways to growth. Each day provides us with an opportunity to learn, improve and move closer to our goals. With teamwork, dedication and a positive spirit, I am confident that together we will accomplish remarkable milestones.

With the festival of lights around the corner, I extend my heartfelt wishes for a joyous and prosperous Diwali to you and your families. May this Diwali illuminate our lives with happiness, harmony, and success, and inspire us to spread light and kindness all around.
